Seaside... ..Ranchos

Betty Lou Sparks
More barefoot boys with cheeks of tan are noticeable in Seaside these days as the summer vacation begins. Last week was a busy one for the pupils and faculty of the schools as they wound up last year's business. The Seaside Elementary School principal and faculty would like to express their appreciation to the parents of Seaside Ranchos, Seaside Heights and Hollywood Riviera for the splendid cooperation they have received this year.

Congratulations, too, to Sidney Flahive, graduate of Redondo Union High School and to Beverly Meese, Judy Edmons, Sandy Rockefeller, Barbara O'Hanlon, David McNary and Richard Hardie, from the 8th grade, Wednesday at Torrance.

A program of summer school activities has been planned for the children attending Seaside Elementary School beginning June 19 and continuing for six weeks. These activities will include work in handicrafts, supervised play, and will supplement regular school classes. Half day sessions will begin at 8:30 a.m. and last until 12:30 p.m.

Mrs. E. Miller, Mrs. M. Coover, Mrs. D. Hall, Mrs. Fred Knouse, Mrs. Robert Hyder, Mrs. W. Shockney, Mrs. Paul Roettger, Mrs. Jos. Merola, Mrs. Mrs. P. D. Fo, Long Beach and Mrs. Walter Hall.

Christine Drumright celebrated her second birthday this week with a family party. Her grandparents, Mr. and Mrs. Cheatham and her aunt Miss Jayne Cheatham, Long Beach, helped Christine's brother and sisters cut the cake.

SCHOOL'S OUT
By J. Hugh Sherfy, Jr.

How're your brakes? Can you stop on a dime? You might have to! School's out.

When you back out of your driveway, remember, school's out. Go slow. Be certain a child is not behind you.

If you're in a hurry, remember, School's out. That minute you save might be at the cost of a child's life. Keep your car under control—all the time.

You were careful when children were going to school; remember School's out! and those children are going to play, everywhere. Be alert. When you see children playing use your brake. Slow down.

Don't be an "H" driver; foot on the throttle and Hand on the Horn. Be a "C" driver; he's Careful. His Car is under Control, all the time. He sleeps nights and has no regrets. He remembers, SCHOOL'S OUT.
